

## *Welcome*

The Greater Salem Chamber of Commerce provides this membership package to make your decision to join our chamber more meaningful.

You will find information that will help you know us better and realize that the positive action of joining will strengthen your business, increase its growth and open new doors for networking.

The chamber offers a variety of membership benefits, committees that serve you and your business, educational and social events that create positive exposure in the communities we represent and marketing opportunities through our monthly newsletter (IMPACT), the Chamber Website and our Special Events.

After reviewing the information in this packet, contact the chamber office or a representative from the Membership Committee with any questions.

I am looking forward to working with you as a member of the Greater Salem Chamber of Commerce.

Sincerely,  
Donna Morris  
Executive Director
